AFFIDAVIT FOR CORRECTION CERTIFICATE

Horse's Name: _____ Registration Number _____

Please Print Legibly

Instructions:

This form has been provided for your use in reporting to NASDHA all corrections that need to be noted on a horse's registration certificate. Please furnish the applicable information, sign where indicated, and mail to the above address with the original certificate and appropriate fees.

Duplicate Registration. The original Certificate of Registration has been (check one):

Lost Damaged (attach original) Destroyed

Please issue a new certificate. The new certificate will be marked as "DUPLICATE". The files and records will be coded as "Original certificate lost or destroyed". The fee for duplicate certificates is \$25.

Gelding. The above horse has been gelded on _____ (include month, day, and year). Please provide the date of gelding, if known. If the horse was a gelding at the time of purchase, and you do not know a specific gelding date, you may use your purchase date as the date of gelding. There is no charge for updating a horse's certificate to "gelding".

Correction of Color. The color on the above horse's registration certificate should be corrected to _____. Please submit four recent photos that will clearly show the horse's current color. No Polaroids, please. One of the photos will be used on the new certificate. The fee for correcting the color and issuing a new certificate is \$25.

Brand. The above named horse has been branded. Please specify the location of the brand and include a diagram of the brand in the space provided below. Please also include a photo of the horse with the brand clearly visible. There is no fee for updating the horse's certificate.

Scars/Miscellaneous. If you feel there is other information that should be corrected on the horse's original certificate, please include that information in this area. There is no fee for updating the horse's certificate.

Deceased. The above named horse is deceased. The date of death was: ____/____/____. The original certificate of registration need not be submitted. The files and records will be coded as "Deceased". There is no charge.

Signature of recorded owner: _____ NASDHA Member # _____
